

VISITOR PARKING

SELF-SERVICE PAY STATIONS

UCLA parking pay stations give you short-term parking options in lots and structures located throughout campus.

Self-service pay stations are located in all visitor parking areas. Visitors must pay for parking BEFORE they leave their vehicles. For more information on locations, rates, and hours of operation, refer to the section below. Pay station permits are not valid in parking stalls posted for Blue or X permits or otherwise reserved.

1. All self-service pay stations use pay-by-plate technology.
2. Once parked, go to the nearest parking pay station.
3. Enter your license plate number. If you do not have a license plate number, please enter the last 6 (six) digits of your Vehicle ID Number (VIN). Your VIN can be found on the driver's side door or the lower driver's side of the windshield.
4. Choose the amount of time that you would like to spend on campus.
5. Pay using exact cash amount or with a credit card.
6. For those using their VIN, please place your receipt on your dashboard.

ACCEPTABLE FORMS OF PAYMENT

Only cash and credit cards may be used at campus pay stations. Pay stations accept Visa, Mastercard, Discover, and American Express for your convenience. There are no refunds for purchases at campus pay stations.

Pay stations only accept \$1, \$5, and \$10 bills and DO NOT give change in the form of cash or credit.
